Subject: Urgent Action Required: Unlawful Activities of Head Master, Pulshita Bholanath Vidyaniketan, Kalidan, Haur GP, Panskura-I, Purba Medinipur

Dear Sir/Madam,

We, the undersigned, are former members of the Managing Committee, guardians of students, and local residents of the Pulshita Bholanath Vidyaniketan school community. We are writing to express our deep concern about the ongoing irregularities and chaos within the school since the appointment of Shri Chanchal Maiti as Headmaster in 2009.

Despite repeated warnings and peaceful protests from parents, guardians, and the local community, Shri Maiti has continued to engage in unlawful activities and demonstrate reckless disregard for the school's reputation and the well-being of its students.

Chronological Account of Events:

- 09/12/2023: A peaceful meeting was organized between the Headmaster, teachers, guardians, and locals to address the ongoing issues. Shri Maiti failed to attend the meeting, prompting a peaceful protest by the community.

- 09/12/2023 (during the protest): Shri Maiti submitted his resignation, citing personal reasons. In good faith, the protest was withdrawn.

- 11/12/2023: The DI refused to take any action against Shri Maiti and instead advised the teachers and gram secretary to resolve the issue amicably through a meeting with the Headmaster and protesters.

- 12/12/2023: A school inspector visited the premises and discussed the situation with selected teachers and the president of the Managing Committee. He advised them to arrange a meeting with the protesters within a week. The SI and DI also claimed they lacked the authority to accept or reject the resignation or take any action against the Headmaster.

- 12/12/2023: Shri Maiti submitted another application to the president of the Managing Committee, requesting to withdraw his resignation. He claimed his life was at risk and cited the previous resignation as an attempt to quell the protest.

Our Concerns and Demands:

- We believe the current SI and DI are acting in collusion with Shri Maiti and failing to fulfill their duty to uphold the law and protect the school community.

- Shri Maiti's repeated attempts to manipulate the situation and avoid accountability are unacceptable.

- We demand a thorough investigation into Shri Maiti's alleged unlawful activities and immediate disciplinary action against him.

- We further demand the removal of the current SI and DI for their failure to uphold their responsibilities and their apparent bias towards the Headmaster.

- We call for the appointment of an impartial and competent school inspector and DI who will prioritize the welfare of the students and the school's reputation.

We urge you to take immediate and decisive action to ensure the safety and well-being of the students at Pulshita Bholanath Vidyaniketan. We believe that your intervention is crucial in restoring order and accountability within the school administration.

Sincerely,

The under signatories
