Subject: - Complaint against the illegal activities of the H.M. of Pulsita Bholanath Vidyaniketan, Kalidan, Haur GP, Panskura-I, Purba Medinipur

Respected Sir,

We, the under-signatories, are the former members of the Managing

Committee alumni, parents and locals. Our humble submission is that the current headmaster namely Shri Chanchal Maiti has tarnished the reputation of the school for irregularities and chaos in the school since his joining in 2009. Despite repeated warnings at the parents' meeting and repeated warnings from the Management, his recklessness is not going to be curbed in any way. At present, Govt. being a sponsored institition it goes witnout saying that there is no committee. So we're drawing your attention to some samples of the headmaster activity in a straightforward manner.

1. The school did not follow the online method of teaching students. As a result, the students are in complete darkness.

2. It is doubtful whether the headmaster comes to school once a month. Even if he comes, he does not stay till the end of working hours.

3. Following the example of the headmaster and taking advantage of this, the assistant teachers are also taking leave at their own discretion and signing the attendance register even if they do not take class or be absent.

4. Although the number of school holidays is 65, the teachers are taking additional leaves of 20 to 25 days but have maintained 65 days in register by signing the attendance register at their will.

5. He is taking a fee of 50 rupees to give the certificate to the students but he is not giving a receipt for it

6. Tapan Seni Assistant Teacher for almost three years (2009-2012), Puspendu Bhattacharya Assistant Teacher one year from April 30, 2016, Debashish Kona Assistant Teacher for six months has acquired their salary from the Headmaster by their secret treaty and did not follow any government rules and regulations.

7. In the name of SC / ST students who study in schools and also live in dormitories. Headmaster is embezzling government money by opening an account.

8. Instead of the head master, a person named Debasish Gantait used to do official work in any corner of the school and even signed the school examination book by meeting with SI at the B.D.O office. I am drawing your attention to the questionable post of Debasish Gantait in the School.

9. On memorable days like 15th August, 23rd January, 26th January, 25th Baishakh, the headmaster does not come to school.

10. Precious "Meheguni' Trees have been sold out by the Headmaster illegally and he has misappropriated the money.

11. He has embezzled money by cultivating school ponds with his own people lake without leasing them through proper tenders.

12. The headmaster has opened a business with money in the name of giving a job instead of teaching in the school.

13. During Covid-19 he sold the question papers of exams to the students for Rs. 50 /-.

14. Instead of keeping SC / ST students of the school locality in the /doimitory, they are bringing SC / ST students from far away Jhargram and Jharkhand and enrolling them in the school and embezzling their Hostel Stipend money.

15. By showing the students studying in school belonging to SC / ST category as resident and acquiring bank withdrawals signed by the students and their father beforehand, he is embezzling their hostel

stipend money.

16. Although the school's mid-day meal is played by a small number of students, by colluding with the Radhunis of the supportive group, he showed participation of a full number of students in the Mid-day meal program he has embezzled government money.

17. During his working period of 13 years as Headmaster, there had only been one parent teacher conference.

18. As he is the organizer of Durga Pujo in his area, the *famous headmaster* stops coming to the school a month and a half ahead.

Therefore, we sincerely request you to remove this stigma of the teacher community from the Pulshita ~~Velanath~~ Bholanath Vidyaniketan and appoint another headmaster so that the glorious legacy of our dear educational institution is not tarnished. We and our children will be relieved and at peace.

Greetings with best wishes -

Thanking you

Yours faithfully,
